Re: Annual Review of Base Rates for Fuel Costs of Duke Energy Progress, LLC
Docket No. 2020-1-E

Dear Ms. Boyd:

On February 17th, Duke Energy Progress, LLC requested approval from the Commission to issue the Revised Notice of Hearing and Prefile Testimony of the Annual Review of Base Rates for Fuel Costs of DEP Deadlines (the "Notice") via a separate mailing to approximately 7600 customers. The Company subsequently learned that an additional 4900 customers did not receive the bill insert, resulting in a total of 12,500 affected customers. The Company wanted to provide this update to the Commission for its consideration in advance of its business meeting scheduled for today.

Thank you for your consideration of this request. By copy of this correspondence, I am notifying counsel for the Office of Regulatory Staff and the Consumer Advocate.

Kind regards,

Sam Wellborn
